

# JUNIOR LEAGUE OF INDIAN RIVER

*2016-2017*

## *PROPOSED FUNDRAISING INITIATIVES*

### **Woman of the Year**

Woman of the Year recognizes women in Indian River County who have made outstanding contributions to our community. All proceeds from this event support Junior League of Indian River's ongoing programs such as Whole Child Indian River which connects families to services available in our community. It is proposed that Woman of the Year be planned and executed for the 2016-2017 League year and that all Active and Provisional League members must commit to pay \$100.00 as their financial support for Woman of the Year.

### **Fall Fundraiser**

It is proposed that a second fundraiser is to be planned and executed in the fall (September - November) of the 2016-2017 League year and that all Active and Provisional League members must commit to pay \$35.00 as their financial support for the Fall Fundraiser. Members of the Fund Development Committee are designated held responsible for the planning and implementation of the Fall Fundraiser beginning in May of 2016.
